

their respective talents about health, family economy, family planning, accounting, church administration, cleanliness and the value of education.

Another important feature practiced in the Tangram Presbytery is holding campaigns of different types such as salvation campaign, reformation campaign for spiritual renewal and edification, financial campaign and gospel campaign once in a year. These various kinds of campaigns are conducted at local, district and presbytery levels.⁴¹

1:4 Visitation Programme

Visitation programme is another important feature practiced in the Tangram Presbytery initiated by women at local, district and presbytery levels. This programme includes offering collections, singing, preaching, interacting and exchange of view and aspirations for the overall benefit of the church members irrespective of young and old, men and women in the Presbyterian family.⁴² This programme includes inter-church visit, intertribal, in a cross-cultural interaction manner at synod level. This visitation programme includes visiting the Hrangkhoh Hindu bereaved families, extended material helps in cash or in kind. This opens up their mind to listen to the gospel message of love and reconciliation.

2. Fund Raising

2:1 Handful of Rice

Every Christian home before cooking every meal set aside a handful of rice as a sign of hosting the Lord and for the extension of his kingdom. This set aside rice collection is being collected and offered to the altar of the Lord in the church every week on Sundays. In course of time, this method has been found so helpful and the
