

5. Sri Khumtholien Hrangkhoh of Zion.

The progress work was reviewed time to time and the work was completed by collective efforts of the drafting Committee. Again an executive Halam Committee was held on 28th May' 2005. Sri Lalfimthoi Hrangkhoh was on the chair as acting president of the meeting. The typed copy of the draft was modified and accepted and choose me as the author of this book.

I thank to Sri Suonthangjem Hrangkhoh Secretary, Hrangkhoh Halam for his initiative help and furnishing photo copies of some rare works.

Now I am grateful to the draft committee members who help me to make the effort in to a book.

Lastly, I would like to extend my gratitude to Mr. P. Chaudhury (Solu Sir) of Haflong, for his help in some extent.

As this books is the first, there may be lots of omission left and errors. Suggestion in writing this book will always be welcome.

I wish that all readers have a happy reading and also invite their suggestions and criticism.
