APPRECIATION

I am very glad with great satisfaction, when I learned that the Autonomous Council is going to publish "A hand Book of Hrangkhoh Customary Practices", Written in form of a booklet, which was extreme need and long pending of strong desire for the Hrangkhoh people. It needs to safeguard and preserve the rich customary practices and it is immense value to the next generation.

I am grateful to Shri Purnendu Langthasa Hon'ble CEM and his colleagues, for providing Fund to publish the book.

Lastly, thanks goes to the judicial department headed by Shri A. Jeme Judge and the drafting committee of Halam including author who bore the entire burden to make efforts in to a book.
